19.00	<i>Dinner at GKSS</i>
20.00	Public evening lecture at GKSS: Prof. Hartmut Graßl: Political consequences of Climate Change
22.00	Return to Lauenburg by bus

Thursday, 24.4.1997:

9.00	Prof. William Cotton The dream and possibilities of rainmaking
10.30	<i>Coffee break</i>
10.45	Second part of the lecture
12.30	<i>Lunch</i>
14.00	Prof. Erhard Raschke Regional anthropogenic climate changes
15.30	<i>Coffee break</i>
15.45	Second part of the lecture
17.45	Dr. Brüning Climate Change Research: An EU Perspective
19.00	<i>Dinner</i>

Friday, 25.4.1997:

9.00	Prof. Klaus Hasselmann Climate, optimal control and game theory
10.30	<i>Coffee break</i>
10.45	Second part of the lecture
12.30	<i>Lunch</i>
14.00	Prof. Hans-Joachim Schellnhuber Climate impact research
15.00	<i>Coffee break</i>
15.30	Second part of the lecture plus discussion
16.45	Dr. Jinsong von Storch The concept of natural variability of climate
19.00	<i>Dinner</i>

Saturday, 26.4.1997:

9.00	Dr. Francis Zwiers The detection of climate change
10.30	<i>Coffee break</i>
10.45	Second part of the lecture
12.30	<i>Lunch</i>
14.00	Prof. Nico Stehr Perception of anthropogenic climate change
15.30	<i>Coffee break</i>
<u>16.00</u>	<u>Dr. Dennis Bray Scientists and popular beliefs about climate change</u>
19.00 3	<i>Dinner</i>

Sunday, 27.4. and 28.4.1997:

Departure
